Professional Summary

B.E. Electrical and Electronics Engineering graduate with a strong interest in data analysis and problem solving, looking for an entry level Data Analyst opportunity to apply analytics skills and support data-driven decision making,

Education

Saranathan College of Engineering- Electrical and Electronics Engineering	2021-2025
• CGPA: 7.9	
Arockiamatha Matric. Hr. Sec. School, Trichy, H.S.C	2020-2021
• Percentage: 87	

Projects

India General Election Results 2024 - Power BI Dashboard

- Build an interactive Power BI dashboard to analyze election results and party performance.
- Visualized state-wise seat distribution using charts, filters, and KPIs for better insights.

Logistics Performance Dashboard – Power BI Dashboard

- Developed a Power BI dashboard to monitor logistics operations and delivery performance.
- Analyzed order volume and delivery status using data visualizations and KPI metrics.

Design and Implementation of High Conversion Ratio Boost Converter for Renewable Energy Applications

- Designed a high gain boost converter using capacitors, inductors, and switching circuits.
- Improved voltage output and power conversion efficiency.

Line Following Robot

- Developed an autonomous robot using IR sensors, microcontroller, and motor driver.
- Enabled automatic path detection and navigation along a predefined line.

Automatic Motion Sensor Light Switch

- Designed an automatic lighting system using PIR motion sensor and microcontroller.
- Automatically controls lights based on human movement to improve energy efficiency.

Certifications

- Java Basics certification from Happy Skilling
- Microgrids presentation from KalaigarnarKarunanidhi Institute of Technology
- Smart Grid presentation from Saranathan College of Engineering
- Completed In-plant Training at High Energy Batteries India Ltd
- Completed In-plant Training at Diesel Loco Shed

Skills

- MYSQL, Python, Pandas, NumPy, Matplotlib, Excel, Power BI, Data Analysis, Data Cleaning, Data Mining, WTL, Data Modeling, Data Visualization, Dashboard Development
- KPI Tracking, Reporting, Root Cause Analysis, Business Analytics, Data Decision Making

Languages

- Tamil, English
